Mandate: Construction management

Schedule: 3 months (2003)
4 months (2007), 3 months (2008)

“Marfoglia Construction has carried out three projects for our firm two of which consisted in the complete renovation of one of our floors. Mr. Marfoglia fully understood the needs of our firm and was very considerate of our interests while managing the three projects.

We are totally satisfied with the results and we very much appreciated the suggestions and recommendations brought forth by Mr. Marfoglia. These allowed us on many occasions to better control the evolution of the work and the associated costs.”
